

Posting Date: May 22, 2019

The Donnelly Centre, Faculty of Medicine
University of Toronto
JOB POSTING – POSTDOCTORAL FELLOW

Area of Research: Molecular Biology, Global gene regulation and Signal transduction, Systems biology, Functional genomics, Proteomics, Metabolomics and Computational biology

Description of duties: To perform scientific research in a Donnelly Faculty members' laboratory that tackle big questions in molecular biology. Specifically, duties include performing hands on experiments, data analysis, preparation of manuscripts and presenting the work at meetings and conferences. Selected candidate will also present annual progress reports to the Director of the Donnelly Centre and will present their work at the Best Foundation board meeting.

Salary: Commensurate with experience and in accordance with the collective agreement

Required qualifications: Our ideal candidate is a highly qualified graduate (2 years or less post PhD) in the fields of molecular biology, genetics or genomics.

Application instructions: All individuals interested in this position must submit 1) Statement of Research Interests 2) CV 3) PhD Diploma and Transcripts 4) 3 letters of reference to any of the below Donnelly Faculty by the closing date. Donnelly Faculty will then prepare a formal nomination letter that will be forwarded along with the application package to the Donnelly Centre administrative office at cbr.info@utoronto.ca.

Closing date: August 8, 2019

Supervisor: Any of the Donnelly Primary Faculty, [Andrews](#), [Bader](#), [Blencowe](#), [Boone](#), [Caudy](#), [Fraser](#), [Greenblatt](#), [Hughes](#), [Kim](#), [Krause](#), [Moffat](#), [Morris](#), [Röst](#), [Roth](#), [Ryu](#), [Sidhu](#), [Taipale](#), [Zhang](#)

Expected start date: January 1, 2020

Term: Jan 2020 - Dec 2021

FTE: 100%

The normal hours of work are 40 hours per week for a full-time postdoctoral fellow (pro-rated for those holding a partial appointment) recognizing that the needs of the employee's research and training and the needs of the supervisor's research program may require flexibility in the performance of the employee's duties and hours of work.

Employment as a Postdoctoral Fellow at the University of Toronto is covered by the terms of the CUPE 3902 Unit 5 Collective Agreement.

This job is posted in accordance with the CUPE 3902 Unit 5 Collective Agreement.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.
